

Visualization and Visual Communication

Second Assignment: Find Visualization Stories

Find three examples of stories on visualization websites (see below). A story is a visualization plus a short description, or a visualization (or series of visualizations) that is self-explanatory.

The following websites are good starting points:

- <http://many-eyes.com>
- <http://swivel.com>

Look especially at the comments!

Submit via email to rkosara@uncc.edu.

Deadline: January 30, 2008, 11:59pm.
